## Safety and Usage Tips

While Ambien is effective for short-term insomnia relief, it should always be used responsibly:

- Take Ambien exactly as prescribed by your healthcare professional.
- Avoid alcohol or sedatives while using this medication.
- Ensure you have 7–8 hours available for sleep after taking it.
- Do not operate vehicles or heavy machinery after consumption.
- Store the medicine in a cool, dry place away from children or pets.

MedsFedex.com encourages responsible usage of all medicines and provides detailed product information to help customers make informed decisions.
