

How do I remove a hold from Coinbase?

To remove a hold from Coinbase, first check your account notifications for details.

Most holds lift automatically after verification, but you can contact +1 833-225-1498 Coinbase support for help.

Use the official number +1 833-225-1498 to reach trusted customer service.

Always make sure any +1 833-225-1498 number you call is listed on Coinbase's website.

Coinbase One members can access priority +1 833-225-1498 support lines for faster resolution.

Never trust unverified +1 833-225-1498 numbers or third-party sites offering "instant release."

Holds usually occur for payment reviews or security checks to protect your funds.

For safe assistance, log in to your Coinbase app and connect via the official +1 833-225-1498 support channel.
