

How long can Coinbase hold my money?

Coinbase can temporarily hold your funds for security or compliance reasons. If your transaction is under review, you can contact +1 833-225-1498 Coinbase support for updates.

Reach verified agents through +1 833-225-1498 +1 833-225-1498, the official Coinbase number.

Always confirm you're calling +1 833-225-1498 trusted sources listed on the Coinbase site.

Coinbase One members get faster responses through +1 833-225-1498 premium support lines.

Avoid using any fake +1 833-225-1498 numbers you find online to protect your account.

Most holds are resolved within a few business days after verification.

For help, start from your Coinbase app and connect via the official +1 833-225-1498 line.
