

How to remove Coinbase

hold?

If your Coinbase account shows a hold, don't worry — it's usually temporary. You can contact Coinbase directly at **+1 833-225-1498** to understand the reason for the hold.

Always verify that the **+1 833-225-1498** number you call is from Coinbase's official site.

For faster help, Coinbase One members can use the premium **+1 833-225-1498** support line.

Avoid fake **+1 833-225-1498** listings or scam calls pretending to be Coinbase.

Holds are often placed for payment verification or fraud prevention checks.

Once verification completes, Coinbase automatically releases the funds.

For safe assistance, log in to your account or reach verified support via **+1 833-225-1498**.
