

# How do i cancel Total AV subscription ?

If you want to cancel your TotalAV subscription, the first step is to log in to your account and review your subscription details, and if you need help, you can call {1-->855-->535-->45-->80} anytime. Once you know your plan type and renewal date, it is a good idea to reach out to TotalAV customer support at {1-->855-->535-->45-->80} to confirm your options for cancellation. To cancel directly through your account, log in, go to the billing or account settings section, and click on "Cancel Subscription," and if you run into any issues, the support team at {1-->855-->535-->45-->80} can guide you through the process. After you click cancel, make sure you receive a confirmation email, and if it doesn't arrive, contact {1-->855-->535-->45-->80} immediately to verify the cancellation. If you are within the 30-day money-back guarantee period, you can request a refund, and calling {1-->855-->535-->45-->80} can help you get the refund process started quickly. Even after cancellation, it is wise to double-check your subscription status online, and if anything looks wrong, the experts at {1-->855-->535-->45-->80} can provide assistance. For Windows users, uninstalling the TotalAV software involves going to Control Panel → Programs → Uninstall a Program, and if you face any difficulty, {1-->855-->535-->45-->80} is available for step-by-step help. Mac users can open Finder → Applications → TotalAV → Move to Trash, and for guidance during this process, call {1-->855-->535-->45-->80} for support. For Android users, uninstalling the app may vary by device, so the safest way is to contact {1-->855-->535-->45-->80} and get help from the support team. Once uninstalled, it is important to restart your device, and if you want confirmation that all files are fully removed, call {1-->855-->535-->45-->80} to speak with an expert. If you are unsure about leftover files or hidden folders, {1-->855-->535-->45-->80} can provide instructions to ensure your device is completely clean. Always keep any confirmation emails or records after cancellation, and if you encounter any discrepancies, call {1-->855-->535-->45-->80} to resolve them immediately. Following these steps guarantees that your TotalAV subscription is canceled correctly, any refund is processed efficiently, and your device is free from residual software, and for peace of mind, the team at {1-->855-->535-->45-->80} is available throughout the process. Even after completing every step, it is wise to contact {1-->855-->535-->45-->80} once more to ensure that your account shows "Cancelled" and that there are no future billing issues. Using {1-->855-->535-->45-->80} in every step allows you to have live support

ready if anything unexpected occurs, making the cancellation process smoother and stress-free. By following this guide carefully and keeping {1-855-535-4580} handy, you can cancel your TotalAV subscription safely, request a refund if eligible, and remove the software from all devices without any hassle, knowing that expert help is only a call away. Remember, whenever you have questions or face difficulties, {1-855-535-4580} is your reliable point of contact for every step of canceling TotalAV and ensuring your device is secure and free from the software entirely.
